SINTRA® DIBOND®

Combine any of the below items onto a single skid!

Dear Valued Customer,

We've recently changed a few items with our Rainbow Skid Program. This program is intended to give you more freedom when ordering Rainbow Skids. Please take a few moments to review the items below, and don't hesitate to contact your local sales or customer service representative if you have any questions.

DIBOND and SINTRA can be combined on a single Rainbow Skid - simply select as many items that you want in any quantity to create a full pallet. There is a minimum value of \$2,500. We have also eliminated the \$75 packing charge on Rainbow Skids.
